Dear Chairwomen:

On behalf of the MLWGS Athletic Boosters, I am pleased to report on the unanimous vote taken on January 13, 2011, to ask the Governor's School Foundation to recommend to the Regional Board the following name for the athletic pavilion:

**N. Douglas Hunt Athletic Pavilion
Home of the Dragons**

To the Athletic Boosters, Doug Hunt represents the spirit of Maggie Walker's student athletes. His tireless commitment to building a community of excellence and sportsmanship for the Dragon student athletes serves as a key part of Maggie L. Walker Governor's School for Government and International Studies' elite reputation.

Many do not know that Doug Hunt entered his college career on an athletic scholarship and served both as a teacher and coach of basketball, track and cross country. For ten years, he served on the Virginia High School League Executive Committee and as chairman worked to strengthen the sportsmanship rule.

While he retired in 2009 as Director of MLWGS, he continues to commit many hours at athletic events offering a word of comfort, a round of applause, and an outstretched hand. We hope that the Regional Board will agree with our recommendation for the N. Douglas Hunt Athletic Pavilion.

Sincerely,

Barbara W. Reese
President
